- Empty and wipe inside/outside of all cabinets and drawers
- Clean inside oven, broiler, and stovetop (degreaser on burners)
- Pull out fridge — clean coils, behind, underneath; defrost freezer
- Wipe inside microwave, dishwasher gasket, and run vinegar cycle
- Scrub sink, polish faucet, sanitize garbage disposal
- Clean backsplash, countertops, and underside of range hood filter

Bathrooms

- Descale shower glass, tile grout, and showerhead (CLR or vinegar)
- Scrub toilet (bowl, base, behind, bolts) and sanitize seat
- Clean vanity inside/outside, mirror streak-free
- Wipe exhaust fan cover and replace if mildewed
- Clear hair from drains and re-caulk if visibly moldy

Bedrooms & Living Areas

- Dust ceiling fans, light fixtures, vents, and door frames
- Wipe baseboards, window sills, and blinds slat-by-slat
- Spot-clean walls (Magic Eraser for scuffs)
- Vacuum closets including shelves and tracks
- Clean inside/outside of all windows and patio sliders

Floors

- Vacuum and steam carpets (required by most FL landlords)
- Mop tile/LVP with neutral cleaner — no streaks
- Clean tile grout lines in high-traffic areas

Florida-Specific (Humidity & Coastal)

- Check A/C vents for mold — wipe with diluted bleach

- Replace A/C filter (landlords inspect this in FL)
- Inspect window tracks for salt/sand buildup — vacuum out
- Wipe lanai/patio screens and sliding door tracks
- Check under sinks for moisture stains or mildew

Final Walk-Through

- All trash removed (including bulk to curb on pickup day)
- All light bulbs working — replace burnt ones
- Smoke detector batteries fresh
- Take dated photos of every room for your records
- Return all keys, fobs, garage remotes, mailbox keys
